This news appeared this morning on THUS!

Here is the Google translation:

Berlin (DAPD). Tokio Hotel take on new songs. "We are currently working in the studio on the new album," producer and manager David Jost said on Wednesday the news agency DAPD. The band will not in the coming months are available for interviews. Tokio Hotel have been withdrawn consistently since more than eight months from the public media.

In June they broke the pause but for a performance in Japan and stood at the Japanese MTV Music Awards show on stage.
